Calendar

Thursday, Jan 19 5:30 PM Remington Arms

Please contact any board member if your company might be interested in hosting a tour during the 2017 season. Please contact Lanette Button at lbutton916@gmail.com to let her know if you will be attending the tour.

January PDM

Our tour this month will be at Remington Arms Company, an American manufacturer of firearms and ammunition founded in 1816 by Eliphalet Remington in Ilion, NY, as E. Remington and Sons. Remington is America's oldest gun maker and "It's America's oldest factory that still makes its original product-guns." It is the only U.S. Company that produces both firearms and ammunition domestically and is the largest U.S. producer of shotguns and rifles. They have also developed or adopted more cartridges than any other gun maker or ammunitions manufacturer in the world. Additionally its products are distributed in over 60 foreign countries, making its distribution base and availability wider than those of its competitors.

Please join us for a tour at **Remington Arms** on **Thursday, January 19th**. We will be departing promptly at 4:15 PM from the park-n-ride at thruway exit 34A. The tour will begin at 5:30 PM. Please note the following:

Safety footwear is recommended/no open shoes.

Eye & Ear protection is required and will be provided unless you have your own.

US citizenship is required to go on the tour. You will need to show proof of citizenship. Bring your passport **or** driver's license **and** birth certificate. If bringing a guest with you, we will need their name at the time of registration.
