

Presidents' Letter

From Bill Spinelli, CPIM

Every day is one day closer to spring – although that's not what the groundhog says! Thank you to Remington Arms for hosting last month's tour. It was great to see so many members at that tour. Check out the new requirements for earning your CPIM. The change may inspire you if you were dreading taking 5 exams. We are still working on scheduling some tours over the next few months and will keep you informed as we go along.

CPIM Reconfiguration and New Tests

If you have not heard, APICS is changing their five test CPIM exam format to two exams. So in the future you will only need to pass two exams in order to become CPIM certified.

The last day you can take an exam for the Basics of Supply Chain Management is 9/30/17. The last day you can take the Master Planning of Resources, Detailed Scheduling and Planning, Execution and Control of Operations and Strategic Management of Resources is 7/1/2018. The new 2 part exam will be offered starting 10/1/2017.

Below are the training classes for the rest of the year. We will start offering training for the new exams in October.

Execution and Control of Operations – March 17

Strategic Management of Resources – April 21

Basics of Supply Chain Mgmt – May 19

Master Planning of Resources – June 19

Detailed Scheduling & Planning – July 14

Execution & Control of Operations – August 11

Strategic Management of Resources – September 11

All classes will be ONE day in duration from 9 to 3pm and held at the Whitman School of Management, Syracuse University. Each participant will receive a workbook and the cost will be \$599.00 (lunch is not provided). If you are interested in signing up for a class please reach out to Lanette

Button at lbutton916@gmail.com Detailed descriptions of each class can be found on APICS.org, - Certification – CPIM – APICS CPIM details – Explore The CPIM Modules. If you have any questions on the old/new CPIM exams please feel free to reach out to me at pcpenfield@syr.edu

Pat Penfield

Export Control Basics

Learn how to tell if your product is export controlled, how to decode an ECCN, and how to spot violations. You'll also receive tips for managing your AES filings.

When: February 15, 9am – 11am

Where: Mohawk Global Logistics

Price: \$50

Register at: mohawkglobalta.com

Supply Chain Management

This course will teach students about supply chain management systems from Performance Measurements to ERP. Students will also learn all of the various aspects of manufacturing planning control.

When: Friday, March 31, 8:30 am-4:30pm

Where: MACNY Headquarters

Register at: <http://www.macny.org/>
