## September PDM

---

The September meeting will be a tour of Dupli/PCI – Coated Products Division. The Coated Products Division is dedicated to the manufacture and marketing of repositionable self adhesive print media. They specialize in developing engineered adhesive products for specific customer applications. They are headquartered in Syracuse where they make and warehouse product for North and South American distribution and a warehouse in the Netherlands to serve the European market.

Dupli helps customers achieve better results with low costs by connecting the power of print with the power of technology. Their expertise includes but is not limited to On Demand Print Production of Envelopes, Corporate Stationery and Marketing Collateral; turn key solutions that help make print communication easy, timely, relevant & valuable.

As a printer of paper they rely heavily on water, forests, and energy, and have implemented practices to preserve these resources. Some of their efforts include: Exclusive use of vegetable/soy based inks, use of water based solvents, & housing stocks made with wind-power and available recycled content. Please join us for this month's tour. Details follow!

**Date:** Tuesday, September 26, 2017  
**Address:** Dupli/PCI, 6761 Thompson Road North, Syracuse, NY 13211
